Denmark, December 2015

Congratulations!

On the occasion of IFSO's 20th anniversary, the staff from AC International Child Support, Denmark, would like to send IFSO our best wishes and congratulations on this special day.

IFSO and AC International Child Support, Denmark have worked in partnership since 1998 implementing a number of development projects. During our many years of partnership, we find IFSO to be a highly professional, reliable and competent partner with extensive experience and knowledge within their field of work. IFSO's dedication towards improving the lives of the most vulnerable children in Ethiopia is admirable, and we are convinced that IFSO will carry on the important work many years ahead.

Our very best wishes for continued success!

Sincerely yours,

Karla Hammerskov
Program coordinator

AC International Child Support, Denmark
