Dear W/ro Mekdes Zelelew:

On the 20th anniversary of the founding of Integrated Family Services (IFSO), I would like to express my most sincere congratulations to you and your team for keeping IFSO alive and active for Two decades. Your organization has made positive impact in the lives of so many young and old Ethiopians. It is remarkable how you have managed to give second chance to many otherwise to be forgotten people in Ethiopia. Under your purview and visionary leadership IFSO has grown and provides essential services outside the Addis Ababa metropolitan area.

The Society of Ethiopians established in the Diaspora, SEED, joins the chorus of other organizations and individuals in congratulating you for the job well done. We have no doubt that IFSO will continue to inspire us by staying relevant and continuing to do its noble work, making a positive difference in our community at large.

We wish you many happy returns.

Cheers!

Prof. Melaku Lakew

Chairman, SEED
